Guided Walks Programme

23 May to 26 September 2026

Yorkshire Dales Explorer

Welcome to the Lancashire Rail Ramblers guided walk programme from the Saturday only Yorkshire Dales Explorer rail service.

Guided walk programme from the YDE

An extensive programme of guided walks with experienced leaders provides a great opportunity to see the best of the Yorkshire Dales. You are very welcome to join any of these guided walks. At all times safety is your own responsibility. Leaders reserve the right to vary walks dependent upon the weather conditions and the capabilities of the walking parties.

The walks are arranged by the voluntary 'Lancashire Rail Ramblers' and you can visit their website at railramblers.wordpress.com/about

Each walk is graded so choose one to suit yourself. Should you have any doubts about your capabilities on the hills, avoid 'strenuous' graded walks.

Grades of Walk

- A B** **Strenuous:** Walks may be rough, steep, lengthy or against the clock
- C** **Moderate:** No scrambling and suitable for experienced walkers
- D** **Moderately Easy:** Generally an easy walk which may include a steep climb
- F** **Easy:** A slower pace than for moderately easy walks with short rest periods
- F G H** **Easy Stroll:** Suitable for those not accustomed to walking in the countryside

For all walks, except town tours or strolls, you should wear strong, comfortable walking boots, warm outdoor clothing and outer wind and waterproofs if the weather warrants it. On most walks stops are made, often in the countryside, for lunch and tea, so remember to bring your own food, snacks and a drink, especially when it is hot. Where an additional coach or train journey is required as part of the walk an additional fare may be payable.
