

CROSTON

Adventure Trail

Welcome to Croston Station where your adventure of exploring our village begins!

Come and join us on our adventure to find the hidden treasures of Croston and make family memories.

As you explore Croston can you spot any of the landmarks drawn on the beautiful handmade map by pupils at Trinity and St Michael's School?

The children in year 4 and 5 have been working on a village mapping project in partnership with Community Rail Lancashire.

Collectively, the pupils at Trinity and St Michael's have identified the locations and created bespoke illustrations of some of the hidden treasures throughout the village.

See if you can spot them and many more along the way.

We hope you enjoy this fun family activity which can be done at your leisure.
