

YORKSHIRE DALES EXPLORER WALKS PROGRAMME 2024

Guided Walks

An extensive programme of guided walks with experienced guides provides a great opportunity to see the best of the Yorkshire Dales. You are most welcome to join any of these guided walks. At all times, safety is your own responsibility. The guides reserve the right to vary walks dependent upon the weather conditions and the capabilities of the walking parties.

The walks are arranged by 'Lancashire Rail Ramblers' (Visit their website at www.railramblers.wordpress.com) and are led by volunteers from the Ramblers Association. Each walk is graded: choose to suit yourself. Should you have any doubts about your capabilities on the hills, avoid 'strenuous' graded walks.

Grades of walks

Easy stroll: Suitable for those not accustomed to walking in the countryside – these are the **G and H walks**.

Easy: A slower paced walk than for 'Moderately Easy' walks and with short periods of rest. These are normally the **F walks**.

Moderately easy: A generally easy walk which may include some short rather steep inclines, normally shown as **E walks**.

Moderate: A countryside walk for the average regular rambler. These walks may contain some climbing and ridge walking, but generally no scrambling. Normally designated **D walks**.

Within **E and D walks** are some guided walks themed as 'Flower Walks' or 'History Walks' and 'Map Reading Walks' – all are very popular.

We also have more strenuous walks

Moderately strenuous: Walks suitable for the experienced energetic walker, often at high level and over rough ground. These are the **C graded walks**.

For all walks you should have strong comfortable non-slip footwear, warm outdoor clothing and outer wind and waterproofs if the weather warrants it. On most walks, stops are made, often in the countryside, for lunch and tea, so remember to bring your own food, snacks and a drink, especially when it is hot. Where an additional coach or train journey is required for part of the walk (see walk details – highlighted in yellow), an additional fare may be payable. Details of the walks available each SATURDAY may be found on the internet at www.yorkshiredalesexplorer.com or further detailed information may be had from walks leaders on the Yorkshire Dales Explorer trains.

ALL THE WALKS ARE BASED ON USING THE FIRST YORKSHIRE DALES EXPLORER OUTWARD SERVICE AND THE LAST RETURN SERVICE
