ecoescapes

Travel Light | Shop Local | Stay Longer

Eco Escapes connects the Forest of Bowland National Landscape to the rest of the county in a more sustainable way, enabling eco-conscious visitors to refresh, recharge and revive with a sustainable short break in the area's beautiful green spaces.

Eco Escapes are making connections: between town and country; between visitors and residents and between people and nature.

Eco Escapes are all about travelling light and treading carefully in the stunning rural landscapes of Lancashire.

Sustainable short breaks on foot or by bike in the Forest of Bowland National Landscape

They are about leaving the car at home and taking the time to explore new places by public transport, on foot or by bike. They are about discovering the county's wonderful natural environments and the wildlife that makes its home there.

Three buses can be caught from Clitheroe Interchange - numbers 5, 11 and 66 which take in different parts of the Forest of Bowland. Scan the QR codes for more details.

For more details of Eco Escapes including a sustainable travel map visit the EcoEscapes website at: discoverbowland.uk/activities/eoescapes or scan the QR code.
