

LANCASHIRE

COMBINED COUNTY
AUTHORITY

East Lancashire and Clithere Line Community Rail Partnership meeting Thursday 23rd July 2026

- **The Local Transport Plan (LTP)** core strategy was approved by the LCCA Board in April 2026
 - Long term vision to build a sustainable, integrated and highly connected transport network
- **LTP Implementation plan:** explains how transport improvements will be delivered locally over the next four years. Consultation closed on 30th June 2026.
 - Connecting Lancashire: strengthening the connections between people and places, in Lancashire and more widely across the North, complementing the LCCA Growth Plan: ensuring transport supports
 - Rail schemes highlighted for feasibility, development and delivery in the 4 year period
 - Supporting documents are available via: <https://lancashire-cca.gov.uk/what-we-do/transport>
- **Burnley Manchester Road Access for All:** scheme included for delivery in the plan period
- **Clithere – Hellifield:** Engagement with consultants over re-visiting the business case
- **Lumo:** new open access rail service Stirling to London commenced on Monday 25th May serving Preston <https://www.lumo.co.uk>
 - 19th June two services per day, 5th July four services per day, 26th July five services per day Preston – London
