A town that boasts some very fine church buildings of which the best known is Whalley Abbey, a former Cistercian Abbey. Cistercian monks settled in Whalley in 1296 and started to build the Abbey Church in 1330. Whilst nearby stands the ancient church of St Mary's and All Saints, also 4th century. Equally impressive is Whalley Viaduct carrying the railway over the River Calder. It is 679 yards long, has 48 spans and was made from 7 million bricks.
